**"Changing the World by Helping
Others in Need"**

Timbella Foundation believes in helping children and families in need, locally and globally, by partnering with other organizations that share the same mission.

LOCAL PARTNERSHIP

On Issue No. 5 August 2022, Partnership with Timbella Music Productions (TMP) was on the *Spotlight* as our highlighted partner with local and global missions. (Refer back to Issue No. 5 for specific details on the partnership between the Foundation and TMP)

Three times a year, TMP organizes a free recital for families and friends to see their music students shine. While the primary aim is to provide a space to acknowledge the growth and efforts each student has made within their musical journey, TMP also celebrates their ability to use this recital as a means to raise awareness of global and local needs, as well as raise support for whichever local or global organization is presented on that day. Teachers through TMP all volunteer to create this special day and event for all to attend.

This Fall Recital was a success. "It was our first time having it outdoors!" stated owner, Parsons. Students ranging between the ages of 3 and 63 performed, some of which were the newest of students, as well as many who have been with the music studio since it started back in September of 2020. Many students dressed up in costumes to match the song they were playing, which created an even more creative and immersive experience for everyone. You are invited to the Winter Recital, 1/14/2023!

Free Entry

Location: New City Church

761 S Little Creek Rd, Dover, DE 19901

GLOBAL PARTNERSHIP

C A M B O D I A

By Becky Anderson

Update: Piano Sponsorship

On the November Issue No.8, Global Partnership Section, it was announced that Timbella Foundation would sponsor piano classes for the children at the Stitches of Hope Orphanage.

Mid November began the start of the weekly class provided through Parson's. Parson expressed that he hopes to provide a class weekly for these children and eventually provide more classes globally as Timbella Foundation expands to reach other nations.

Currently in place is also the sponsorship for a teacher's salary for the next 6 months to cover classes for the children at the Orphanage. These musical classes allow the children to be exposed to music in a way they would not otherwise be exposed, providing them with an opportunity they would also not otherwise have. Through the efforts raised for Cambodia, Timbella Foundation can provide these developmental opportunities to children in need, as well as form bonds with each child as they grow. These bonds are of importance, as reaching nations begins on a one-on-one basis. Nothing says "I care about you" more than individual attention to children who's needs are barely being met. The children at the Orphanage are cared for by a wonderful team, but basic resources are always a need as is common within Third World Countries.

If you feel called to sponsor this ministry in any particular way, please visit our page to learn more and contact us to learn to how give, get involved, or learn more about Timbella Foundation's Cambodia Missions Outreach.
