## Update

“It has been an amazing time teaching the kids... Each week we are covering a different chapter in the piano book. I teach the teachers every Tuesday and watch them teach the kids. The teachers teach them Monday through Friday. It has been my dream come true that we can teach kids around the world, starting with Cambodia.”

Timothy Parsons,  
Timbella Foundation Founder

Timbella Foundation has been providing weekly classes for the students over at the Orphanage in Cambodia. Parsons traveled to Cambodia in October 2022 to create a collaboration between the Foundation and the on-going classes that would be provided for the students.

Frequent updates can be viewed through the Timbella Foundation Cambodia Facebook Page.

The Cambodian children at the Orphanage have access to keyboards which were donated through the foundation for their musical edification. This Christmas, they were able to present songs, which will be displayed at the Winter Recital held by Timbella Productions, in support of the Stitches of Hope organization. This event is open to the community to attend.

The event is set to take place at New City Church in Dover on Saturday, January 21, 2023 at 1:30PM (8 years and younger) and 3:30PM (9 years and older).

Please keep the children in prayer as they navigate the challenges of life without parents. We send our gratitude to our partner, Stitches of Hope, for providing these opportunities to the less fortunate.

## Urgent Message from Stitches of Hope Founder:

Our Stitches of Hope Education Centre in Cambodia is in urgent need of a new well as the existing well has dried up. The total cost for this necessity is \$950 Australian. Donations are tax deductible and can be paid into the Stitches of Hope account:

# GLOBAL CHRISTIAN NEWS

## N I G E R I A

“Every week  
Christians are  
being killed in this  
country...”

Joel Veldkamp

Head of International Communications  
**Christian Solidarity International**  
CBN News interview

Written By Becky Anderson

Global Christian News is a new section created to bring awareness about Christians living in other nations who may be dealing with persecution, natural disasters, or other troubles.

## Cleansing Nigeria from Christians

On December 2022, the US Department of State omitted Nigeria from placing on the list of **Countries of Particular Concern**. Historically, countries who are dealing with issues regarding religious freedoms are placed onto this list for the USA to take into consideration and take action in keeping other countries accountable to religious freedom through the International Religious Freedom Act of 1998. Various accounts of Christian persecution occurring in Nigeria have been reported, including many deaths.

As Christians, any life taken is one too many, as we are told to love one another, even our enemies. Ultimately, God should be the one who chooses whether to take life away.

Accounts of Christians being "cleansed" from Nigeria by Fulani Jihadist have been reported to be occurring as a way to "ethnically cleanse Nigeria from Christians through government cooperation militia," Joel Veldkamp reports (See link below).

This phrase alone should encourage Christians around the globe to pray for their brothers and sisters suffering for their faith. Scripture reminds us through the writings of Paul in Romans chapter 5

"... we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not put us to shame, because God's love has been poured into our hearts through the Holy Spirit who has been given to us."

Only the Holy Spirit can give us the strength to endure persecution.

Let us pray for Nigeria.
