"Changing the World by Helping
Others in Need"

*Timbella Foundation believes in helping children and families
in need, locally and globally, by partnering with other
organizations that share the same mission.*

LOCAL

Mommy and Me Missions

What started as an Earth Day-inspired local outreach initiative on April 23rd, blossomed into a monthly gathering and resulting network of mamas who have a heart for local and global mission work.

Each month, Timbella Foundation hosts a monthly Mommy & Me Missions gathering for mothers and their children (of all school ages) at our local Brecknock Park in Camden, De.

It is simply awe-inspiring to be in the midst of like-minded mother's who share in their faith and devotion to serving our local community and beyond, globally. Each month, our Mommy & Me Mission's community, both virtually on Facebook, and in-person, continues to grow. God is working big!

Mommy&Me Coordinator
Alyssa Dodenhoff

If you have a heart for mission work, may it be on a local or global scale, we encourage you to walk in faith alongside us, and share your talent and passions for good, by blessing others.

Timbella Foundation offers a wide range of local and global mission work -- there are local volunteering opportunities available monthly, as well as a planned mission trip to Cambodia in 2023, courteous of the Global Missions Team.

So, let us gather in fellowship with one another and serve as Jesus served. See Flyer for more information

GLOBAL

Update Ukraine Refugee Emergency Relief:

In April of 2022, Timbella Foundation made efforts to raise funds to support a refugee camp set up in Poland. The hotel "Admiral" generously stopped all business to host a refugee camp with the leadership of a local church.

We are working with my wife's, Bella's, family to rescue the families in need. We are truly blessed to have them stop their general business operations to help those in need. While we do have churches in Poland helping with some of the cost, there is much help we need to give them!"

- Founder, Tim Parsons

Ukrainian mom with her pre-born baby (7.5months) at Polish hospital. From the relief funds donated to the church, aid was provided to help her both financially and with supplies for her and her baby

Since the initial aid sent in April, there has been much development. Churches continue to seek shelter for the refugees at the Admiral hotel. Basic essentials are still handed out to families at the camp.

So far, Timbella Foundation has raised a total of \$4,819.20 to support the relief. If you are interested in continuing to sponsor this emergency relief, please contact us at timbellamissions@gmail.com

PARTNERSHIP

By Becky Anderson

On Issue No. 5 August 2022, Partnership with **Timbella Music Productions** was on the *Spotlight* as our highlighted partner with local and global missions.

This summer, Timbella Music Productions held a music camp for children ages 6 and above with the theme of "Travel Around the World" in mind.

Each week, one area of the world was emphasized. The drama, music, and dances were all related to Disney musicals emphasizing these worldwide locations.

Let's hear more about this experience from a teacher who taught at this summer camp as a way to serve her community through an interview conducted by our Newsletter's main author, Alyssa C. Dodenhoff.

Serving the Community Through Music

By Alyssa C. Dodenhoff

I had the pleasure of interviewing **Ms. Anisa Adkins** in July of 2022. Ms. Adkins, a 2018 graduate of Rowan University in Glasboro, New Jersey, serves her local community through her love and passion for music.

PARTNERSHIP

Serving the Community Through Music Continued...

The daughter of teachers, Ms. Adkins is in her fifth year as an Elementary Education General Music and Choir Teacher at Nellie Stokes in CR. In April of 2022, Ms. Adkins joined the Timbella Productions team, where she teaches piano and voice. Additionally, Ms. Adkins directs her local church choir.

Ms. Adkins took a moment to share her experience with Timbella Productions' "Passport Camp," a summer-long intensive for students to travel the world, and immerse themselves into a multifaceted experience -- experience new cultures, understand diversity, and take part in the beautiful pairing of music and movement, amongst others.

Ms. Adkins thoroughly enjoyed her time spent working with the students, as she referenced her theatre background and time spent in the opera during her college years.

She highlighted the dynamic nature of her work, where in a school setting she is situated in a classroom of approximately 25 students, and with her work at Timbella Productions, she sits one-on-one with students. Loving both, she shares that her teaching of all ages, childhood to mature (church choir), exposes her to a dynamic perspective on teaching and music.

Thank you Ms. Adkins for your time, God bless.
