HIGHLIGHTING A LOCAL SUPPORT

WORKING HAND IN HAND WITH LOCAL BUSINESSES

TIMBELLA FOUNDATION officially began in September 2021. Since it's opening, one of the main goals has been to create partnerships with the local community. Partnerships are an important aspect for the non-profit as these local businesses aid in supporting multiple mission projects, including both local and global missions.

At the start of 2022, TIMBELLA FOUNDATION announced it's desire to support a global mission to Cambodia in efforts to support the livelihood of Cambodian children living at an orphanage. Working hand-in-hand with an overseas nonprofit, Stitches of Hope (see picture 1 & 2 on left), has allowed this progress to resume. Local partnerships has further allowed TIMBELLA FOUNDATION to send funds to alleviate their costs in monthly expenses. Please see our Important Updates section at the end of this newsletter for details related to this trip.

In the Spring of 2022, TIMBELLA FOUNDATION launched it's local mission outreaches with Earth Day (see picture 3&4 on left) with a cleaning effort at Brecknock Park in Dover. This local outreach inspired the start of our Mommy&Me Missions local outreach headed by Local Missions Coordinator, Alyssa Dodenhoff (picture 5 on left)

TIMBELLA FOUNDATION would like to thank the following local businesses for their support

- La Baguette | Chick-fil-A
- Georgia Boys Bagel Cafe
- Clear Space Theater | Calvary Church | New City Church
- Chipotle Texas Roadhouse
- Tre Sorelle Dolce Ice Cream & Italian Ice

TIMBELLA FOUNDATION continues to grow partnerships in Dover and welcomes any other partnerships in the area, as well as those interested from afar. Today's issue will highlight one of the FOUNDATION's local supports:

TIMBELLA MUSIC PRODUCTIONS

TIMBELLA FOUNDATION has worked hand-in-hand with TIMBELLA MUSIC PRODUCTIONS from the very start, as they share the same founder, Mr. Timothy Parsons. In fact, from the creation of TIMBELLA PRODUCTIONS in 2020 came the birth of the FOUNDATION in 2021, as Mr. Parsons' heart has always been for missions, dedicating his profits toward the missions field to aid those in need.

TIMBELLA MUSIC PRODUCTIONS, also known as TIMBELLA PRODUCTIONS, is a "music school that trains up the next generation of future musicians to share God's music to the world", stated Mr. Parsons. TIMBELLA PRODUCTIONS' heart is to "give every child an opportunity to shine on stage". The studio became a local business in September 2020 and has since become a local favorite for families and children desiring to learn music. TIMBELLA PRODUCTIONS provides lessons for individuals ages 3+ in piano, violin, guitar, voice, acting lessons, and much more. This summer, TIMBELLA PRODUCTIONS partnered with the DANCE CONSERVATORY to create a summer camp for children ages 6 and up. Please see flyer attached at the end of this newsletter.

Each semester, TIMBELLA PRODUCTIONS hosts a free recital for their students and their families to attend. During these recitals, TIMBELLA choses an organization to support financially as a form of outreach. A portion of the proceeds obtained during these recitals goes directly toward local and global missions through TIMBELLA FOUNDATION. On the next several pages, a review of the recitals TIMBELLA PRODUCTIONS has had over the past years is reviewed, as they have grown musicians and continue to expand their studio. Thank you TIMBELLA PRODUCTIONS for your support in local and global missions!

TIMBELLA PRODUCTIONS Recitals: A journey of growth

FIRST RECITAL, DECEMBER 2020

TIMBELLA PRODUCTIONS hosted and performed its first recital in December of 2020. Students, approximately 20, shared all that they had learned within a few months span of time with their local community and beyond. The Christmas-themed recital showcased just three short months following TIMBELLA PRODUCTIONS' opening of its doors. "It was simply a humbling experience," said TIMBELLA PRODUCTIONS co-founder, Mr. Timothy Parsons.

SECOND RECITAL, JUNE 2021

The recital, of which finished with a glorious presentation of "Silent Night," was just the start of TIMBELLA PRODUCTIONS' journey with recitals and giving back.

TIMBELLA PRODUCTIONS offered their second official recital in June of 2021, entitled, *Worship Around the World*. The children learned and presented sacred songs ranging from contemporary to old hymns such as "Amazing Grace" and modern day worship. In addition to sharpening their piano skill sets, students also delved into the realm of beloved sacred music.

In addition to sharing talent and learned skill set (piano, amongst others) and providing entertainment, TIMBELLA PRODUCTIONS also shed light on Code Purple,

Worship Around the World hosted approximately 50 eager and exuberant students. "It was a truly magical evening. Recitals highlight and emphasize the true purpose behind why we do music: To celebrate our Creator, who created music" said TIMBELLA PRODUCTIONS co-founder, Mr. Parsons.

Furthermore, *Worship Around the World* raised awareness for local and global need, and raised funds for global mission work.

A special thank you to TIMBELLA PRODUCTIONS choreographer consultant, Mr. Terence Savagel, for coordinating *Worship Around the World*, and for delivering a beautiful final presentation with the students.

THIRD RECITAL, SEPTEMBER 2021

LIGHTS, CAMERA, ACTION... SHOWTIME! September, 2021.

Students, family, friends, and the local community cozied into a true red carpet experience for the celebration of: TIMBELLA PRODUCTION's third "Movie" recital, TIMBELLA PRODUCTIONS' 1-year anniversary, the announcement of the highly anticipated TIMBELLA FOUNDATION, a non-profit group that serves on both a local and global scale, and the FOUNDATION's launch of its first official (upcoming) mission's trip to Cambodia.

Approximately 60-65 students participated, each dressing and playing the role of their favorite movie character. Once again, a huge thank you to Mr. Savagel for coordinating a truly flawless production, as he did in our first and second recitals.

Adding to the evenings spark, princesses (in character) from *The Pursuit of Peace* were in attendance. Coming to life, they added to the night's magic. Children were elated, as they were able to meet and greet and take photographs with the princesses.

FOURTH RECITAL, JANUARY 2022

FIFTH RECITAL, JUNE 2022

A special thank you to Mrs. Teresa Emmons of The Dance Conservatory and dancers: Amanda Tedesco, Trinity Augusta, and Anna Dai for their talent and time. in our fifth showcase.

The sheer growth in student participants, talent, learned and fine tuned skill sets, audience, and audience experience, that TIMBELLA PRODUCTIONS witnessed in simply one years time through the showcase of five recitals (soon to be six recitals) is simply awe inspiring and nothing short of magnificent.

Through recital preparation and showcase, TIMBELLA PRODUCTIONS wholly fulfills their mission statement: *Every child shines on stage*. Regardless of any other factor: Age, ethnicity, talent and skill, background, and etcetera.

At TIMBELLA PRODUCTIONS, we play with purpose, not only to entertain. Our reasons are multifaceted. To learn, to worship, to entertain, to bring light to the community, to give back and to fulfill local and global need.

Cambodia Trip Delays

"My main concern is safety. I would never want any of our teams to have to endure all these troubles I faced," stated Founder Tim Parsons after returning from a scheduled visit to Cambodia that did not arrive at its proposed final destination due to travel restrictions and logistic complications. Parsons' original goal was to visit Cambodia before the first Cambodia mission trip, originally scheduled for November 2022, to work out logistics and mission details. Timbella Foundation's (TF) first missions trip has been one of the main efforts at the forefront of TF's goals, as fundraising efforts have been continuous throughout the year. As many working parts must come together to make this mission possible, Parsons' logistical experience facilitated understandings which allowed important topics to be discussed.

Difficulties with travel restrictions, ongoing domestic and international delays, and safety issues were amongst the topics discussed and noted with the Foundation and Community Board Members. After much prayer and discussion, TF has chosen to **delay the trip with intentions to make the trip in 2023, allowing for more time for global stabilization in regards to travel delays and restrictions that would interfere with using most of the team's time wisely whilst abroad.** Not being able to maximize the time abroad would be a disservice to everyone involved, especially the children at the Stitches of Hope Orphanage. The delay would also allow for more team members to join and provide sufficient time to raise funds.

TF is believing in God's perfect timing and is grateful for more time to adequately prepare for this trip. Despite the delay, the efforts to aid this orphanage is the main goal. Therefore, the foundation recently gifted a \$2,500 donation to the orphanage for their aid. One of the goals of the Cambodia trip is to raise funds that would financially support the livelihood of the children at the orphanage, preventing these children from falling into the hands of human traffickers. This is the main heart of the efforts toward Cambodia, despite the team's delay. The Cambodia missions team was always aware of the possibility of the trip being postponed due to unknown travel and safety regulations – a topic that is reviewed frequently.

We want to thank everyone who continues to support this effort. Donations toward the Cambodia Missions Trip are still active and greatly appreciated as the team continues to work on mission details. If you are interested in joining the team, learning more, and/or supporting this cause, please contact us as timbella_missions@gmail.com and please visit www.onthestage.com/timbella-foundations for more information. Thank you and God Bless.
