
THE MONTHLY UPDATE

Timbella
FOUNDATION

Issue No. 1 | April 2022

Located in Siem Reap, a resort town in northwestern Cambodia, Angkor Wat is the most famous ancient temple site in Cambodia. The TIMBELLA FOUNDATION mission's team greatly anticipates visiting this special and sacred landmark when in the country.

"Changing the world by helping others succeed"

The Cambodia mission's team on behalf of the TIMBELLA FOUNDATION presents to you our first issue of The Monthly Update.

The TIMBELLA FOUNDATION continues to work with STITCHES OF HOPE, a non-profit organization (since 2008). Children from ages 5 to 17 are housed at their orphanage campus. Other campuses include their school and AIDS village that the TIMBELLA FOUNDATION supports.

Help us rescue children and orphans from human trafficking.

Each month, the publication of The Monthly Update will be released, centered on detailed, open, and thought provoking conversation surrounding the upcoming missions trip to Cambodia, a country in Southeast Asia. Tentatively to take place, November 12-19 of 2022. Additionally, we will cover local mission work and Timbella Production news as well.

It is here, where you will find *the* latest updates on mission trip information and coverage, past/future fundraising events, team member profile highlights, captivating articles, and answers to your most burning questions.

DATE: 1ST SUNDAY OF MAY
TIME: 5:00PM
LOCATION: RSVP FOR LOCATION

If you're interested in learning, supporting, and/or joining the Cambodia mission trip for November 2020, we encourage you to join us each first weekend of the month at 5:00 PM, for our monthly Cambodia team meeting. Our next meeting will be held Sunday, May 1st 2022. Kindly RSVP (302) 317-1490.

We want to thank our sponsors, donors, family, friends, and local community for their support and donations. Without you, none of this would be possible.

We have thus far been blessed to receive upwards of \$4,000, for Ukraine relief. Your donations have and continue to bless Ukraine refugees as they migrate to shelter, covering the costs of transportation from the border to shelter, food, and again, shelter costs.

As for Cambodia, we have so far raised \$4,000+ (of our \$10,000 goal) for the Cambodia orphanage that we are directly supporting. Donation money will be in total support of musical instruments (i.e., keyboards), equipment, and all necessities needed to build a summer camp. The Cambodia mission's team so far consists of seven members. You can visit Timbella.com/missions to learn more. If you would like to support the mission's team, please contact Timothy, the founder, at (302) 492-5938 and/or Timbellamusic@gmail.com.

Additionally, if you feel led to join the founders network, a group of partners that make a monthly commitment to pray and contribute and support financially, please contact the founder Timothy, at the above number. Thank you again.

Meet the Team

Timothy Parsons, Founder of TIMBELLA FOUNDATION

Timothy was born in Cambodia. He was adopted by an American family when he was four years old. Shortly thereafter, he began taking piano lessons, which helped him communicate before he could even speak English. While growing up, he served in the music ministry at his home church in Dover, DE. Later in college, he traveled extensively with a worship band and after studying International Business and music at Southeastern University, he founded “Timbella Foundation”, which is a foundation that helps orphans in Cambodia. He then traveled across America and Asia working for missions organizations, as well as speaking and performing. Today, he focuses on composing music with his wife Izabela and serves as a business development consultant for various ministries and organizations around the world.

Pictured:

THE KING WILL REPLY,
"TRULY I TELL YOU,
WHATEVER YOU DID FOR
ONE OF THE LEAST OF
THESE BROTHERS AND
SISTERS OF MINE, YOU
DID FOR ME."

Ashley Mincey, Program Coordinator

Ashley, mother of blended family of 8, and Program Coordinator at TIMBELLA PRODUCTION. Born and raised in Delaware, she recently returned from her first missionary trip to Jamaica through ACE. Ashley has always had a heart for working with children as a graduate of Early Childhood Development and previously as an Assistant Director at a preschool for 13 years. Ashley looks forward to helping children around the world and is grateful for the opportunity to join TIMBELLA FOUNDATION mission's team on their first trip to Cambodia.

Meet the Team

Becky Anderson, Global Missions Coordinator

Becky, mother of 3, marriage and family therapist, and TIMBELLA FOUNDATION Global Missions Coordinator. Born and raised in Miami, FL to a Puerto Rican father and Chilean mother, Becky has always felt close to missions as her grandparents were missionary pioneers in South America. Upon graduation, Becky went to Chile for a missions trip for 2 months and was able to help families and individuals through counseling, participate in worship team playing piano, and support small groups for biblical knowledge and growth. Becky has always had a heart to lead small groups and leading the first mission trip to Cambodia through TIMBELLA FOUNDATION is a dream come true.

Alyssa C Dodenhoff, Newsletter Editor & Local Missions Coordinator

Alyssa, an Air Force wife and mother of three beautiful wildflowers, is a recent graduate of English and Creative Writing studies. Her new publication, The Wildflower Journal (you can subscribe here: wildflowersandlavender.substack.com), shares her story and life, as well as her love for Jesus, intentional motherhood, homeschool, simplicity, and slow living. Her passion for mission work and local community involvement is what ultimately had led to her involvement with the TIMBELLA FOUNDATION and she is forever grateful and thankful for this opportunity.

Dear Editor,
