Production

Foundation

Dear Business Community,

We are Timbella Foundation, a non-profit that believes in “changing the world by helping others succeed”. We primarily focus on partnering with organizations locally and globally to rescue families in need. Our founder, Timothy Parsons, sits on the board of Code Purple to help with the local community outreaches and works directly with global missions to rescue children from human trafficking overseas.

This year, Timbella Foundation is launching their first missionary trip overseas. This Cambodia Missions Project will work directly with another non-profit in Cambodia called Stitches of Hope, which Timbella has had a long-term partnership with. Timbella has been working with this organization since 2008. Children from ages 5 to 17 are housed at their orphanage campus. Other campuses include their school and AIDS village, which Timbella also supports.

We are reaching out to business and local supporters to help donate to our foundation through Gift Cards, Gift Basket, and other services in order to offer raffles for fundraising events. We would love to invite you to join us at these fundraising events, shows, and restaurant give-backs that allow our foundation to thrive and provide for the needs of others.

A brief summary of support packages are listed below if you would like to consider an advertisement package to be displayed at our events. On behalf of Timbella Foundation, we would like to Thank You in advance for your contribution. Because of your tax-deductible investment, our projects will be a huge success. Feel free to call us at 302-492-5938 if you have any questions. You can donate by check or online at [www.paypal.me/TimbellaMusic](http://www.paypal.me/TimbellaMusic) or through Cash App \$TimbellaMissions.

Blessings,

Timothy Parsons
